# Testimonials

## *Some friendly words from some of our valued customers*

The attention to detail and the assistance that the crew at Mitchell Tees and Signs has provided us over the years is why we choose to do business with a local company. Mitchell Tees and Signs is our go-to place for staff apparel, contractor gifts and promotional items. They even provide us with necessary truck graphics for our Middlebury location.

***-Amanda Monks, r.k. Miles***

Around fifteen years ago I received a letter in the mail from Mitchell's, promoting their summer camp t-shirt offer. I had never heard of Mitchell's, but I valued that they had reached out to me so I gave them a chance. In those 15 years, I cannot express how happy we have been with their quality of service. Everything about Mitchell's is professional! We have never, ever, had even a minor error in production or delivery. We have absolute confidence in their ability and are committed to doing business with them for years to come. It's so comforting knowing that we can work with another Vermont business, and that jobs get done to the highest degree. Their communication, product line and customer service is unbeatable. Working with Mitchell's is worry free!

***-George Cook, Capital Soccer Club***

For greater than 20 years, we have trusted the team at Mitchell Tees & Signs with our printing and premium logo items. Being a company that is over 170 years old, we strive to have our brand image reflect longevity, craftsmanship, durability and, of course, keep it fun and exciting! The team at Mitchell's has worked with us closely and confidently to achieve those goals.

***-Stephanie Martin, The Blodgett Oven Company***

Timeliness, quality, competitive pricing and a personal touch are just some of the attributes that come to mind in our relationship with Mitchell's over the past 20+ years. Being in business ourselves, it is important for us to do business with someone who we can trust. Mitchell's is more than just a supplier to us... they work with us on ideas for all our events to make sure they pop! Don't let "Tees" in Mitchell Tees fool you... they work with us on much more than clothing.

***-Gerry Hatcher, Westchester Modular Homes***

Whether it is Physical Education, football or baseball, Mitchells has gone out of their way to supply me with whatever I need or want. The personal attention and face-to-face relationship is very important to me. I have always been treated like I am a priority. It is this professional relationship that I will continue to keep as long as I am in education.

***-Bob Lockerby, Bellows Falls Union High School***

Quality work, enthusiasm and friendliness is why I choose to work with Kevin at Mitchell Tees and Signs. The team at Mitchell's is always up for a challenge, be it a new logo or last minute order. Over the last nine years they have been incredibly easy to work with and have always come through for our company.

***-Tam Miller, Green Mountain Feeds***

I have been working with Matt at Mitchell Tees for a number of years now and have built up an excellent relationship. The communications from Matt and the team are always prompt, the turn-around times on quotes are fast, the quotes are web-based and easy to comprehend and the quality of the final product is always excellent. Matt will even reach out if he's going to be in the area and offer to drop off our order so we don't have to pick it up. I would highly recommend Mitchells and look forward to working with them for years to come.

***-Rex Accavallo, Royal Group***
